

DO YOU NEED A FIRE EXTINGUISHER?

For the 2020 *Motorsport UK British Rallycross Championship 5 Nations Trophy* each competitor is required to carry at least one fire extinguisher and have it available for use at their service area/garage.

(SR.5. TECHNICAL REGULATIONS 5.6.3)

The HawkesFire Rallycross Team is able to offer all competitors and teams in this year’s Championship special prices for the supply of BSEN3 Approved Fire Extinguishers for use in the pits or service area.

We have secured a special bulk deal on 2ltr or 6ltr Foam extinguishers which will be available at Lydden Hill in April or Pembrey in May. Any team or competitor requiring an extinguisher can collect them before either meeting if they let us know by email by the 10th March.

NEW DESIGN

With a new design strong plastic base skirt and brass valve assemblies, these units are high performers in even the most harsh conditions.

- Kitemarked to BS EN3
- 35kVa Dielectric test certified (6 and 9L models)
- MED “Ship’s Wheel” approval on FS9E
- New “Super strong” plastic base for protection
- CE-marked brass valve assembly with strong handles
- 5-year warranty
- Class-leading thick polyethylene internal lining
- Full range of spare parts available
- Supplied in Service with Service Label
