

## Do you need a fire extinguisher?

For the 2015 Season of the MSA British Rallycross Championship each competitor is required to carry at least one fire extinguisher and have it available for use at their service area/garage.

### (SR.5. TECHNICAL REGULATIONS 5.6.3)

The HawkesFire Rallycross Team are able to offer all competitors and teams in this year's Championship special prices for the supply of BSEN3 Approved Fire Extinguishers for use in the pits or service area.

We have secured a special bulk deal on 3ltr or 6ltr Foam extinguishers which will be available at Croft in March or Lydden in April. Any team or competitor requiring an extinguisher can collect them before either meeting if they let us know by email by the 10th March.

### Prices for Collection at Croft or Lydden

|                               |               |
|-------------------------------|---------------|
| 3Ltr Foam Stored Pressure     | <b>£20.00</b> |
| (Standard price after Lydden) | £23.00)       |
| 6Ltr Foam Stored Pressure     | <b>£22.00</b> |
| (Standard price after Lydden) | £25.00)       |

**All prices include service label and VAT**

Other sizes and types available on request drop us an email for a price.

Email order or enquiries to:

**sales@hawkesfire.co.uk**

We will carry a limited number of new spare extinguishers at each meeting so if you require a fire extinguisher for the coming season let us know by the 10th March so we don't run out of stock
